On or about December 14, 2002, in the District of Wyoming, the Defendant, **TIMOTHY WEEKES**, attempted to persuade, induce, and entice a minor, namely one “Sheila Grant,” a person he thought to be a 12 year old girl, to engage in sexually explicit conduct for the purpose of producing a visual depiction of such conduct, knowing or having reason to know that such visual depiction, if created, would have been transported in interstate commerce.

SWORN STATEMENT OF FLINT WATERS

IN SUPPORT OF CRIMINAL COMPLAINT (Timothy Weekes)

I have over 2300 hours of training recognized and certified by the Wyoming Peace Officers Standards and Training Commission (POST) and have been trained in the investigation of computer use in the exploitation of children and trained in the methods of forensic analysis of computers used in criminal activity. I am a POST certified instructor and have taught in the areas of Internet undercover investigations and digital evidence management. I have been assigned to operate in an undercover capacity on the Internet by the Director of the DCI for the purpose of identifying and investigating persons attempting to exploit or solicit sexual acts with children. I have been recognized by the Federal District Court in and for the District of Wyoming as an expert in Internet investigations in *United States v. Benjamin Brown*, Docket Number 02-CR-0150-D, and *United States v. Terrance Thomas*, Docket Number 03-CR-0174-J. I am cross designated as a Customs Officer with U.S. Immigration and Customs Enforcement (ICE) and this application is being made in that capacity.

2. This affidavit is based upon information I have gained from my investigation and my training and experience. Since this affidavit is being submitted for the limited purpose of securing a criminal complaint and arrest warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to believe that **TIMOTHY WEEKES** used the internet in an attempt to persuade, induce, and entice an individual he believed had not attained the age of 18 years to engage in sexual activity for which an individual could be charged with a criminal offense, in violation of Title 18, United States Code, Section § 2422(b), and attempted to persuade, induce, and entice an individual

who had not attained the age of 18 to engage in explicit sexual activity for the purpose of making a visual depiction of such sexual activity using knowing or having reason to believe that said images would travel in interstate commerce, in violation of 18 U.S.C. § 2251(a) and (e).

3. On December 26th, 2006, Your Complainant was online in the undercover capacity of Sher_girl_12, a twelve year old Sheridan, Wyoming, girl. 4. The following excerpts were copied from the recorded chat¹ :
